John Keats was born in London on 31 October 1795, the eldest of Thomas and Frances Jennings Keats's four children. Although he died at the age of twenty-five, Keats had perhaps the most remarkable career of any English poet. He published only fifty-four poems, in three slim volumes and a few magazines. But over his short development he took on the challenges of a wide range of poetic forms ...

I love to wander the woods, to revel in the beauty of graceful, unclad branches reaching for the winter sky. To listen to the rustle and crunch of fallen leaves underfoot, the crisp air laden with their rich scent. All inviting me to attune to the rhythm of nature's dream. All supporting me to move with the energies and cycles of the natural world rather than ignoring or resisting them. The ...
