Before you were born someone kicked in the door  
You are not wanted here, stay back where you belong  
And how can it happen now  
that you know the cause  
That nothing is changing and everything's wrong  
But pain is the healing and the tears sting like alcohol  
Just keep on there breathing We'll

Where were you - your soul, your spirit - before you were born? If the soul is immortal, did it have a "life" before your birth? Much has been written, and many anecdotes recorded, of the near-death experience (NDE). People who have been declared dead and then revived sometimes report an experience of being on another plane of existence, often meeting deceased relatives and beings of light ...

So if you start with the assumption that you exist as pure consciousness, then you must have existed before you were born. Really, you are everywhere and everywhen! And given that we don't do things randomly in our own lives, it's highly unlikely that your birth was an accident. Might you have had reasons for being born at a particular time, given the entire span of human history (and ...
