AP World History courses are meant to cover the same amount of content as is covered in two semesters of typical college introductory World History courses. From this statement alone, it should be clear that AP World History covers quite a large time period—8000 BCE to the present day, in fact. The course organizes itself by considering history through five lenses in particular: the ...

This is what happens when you take an intelligent person, and casually make a few mentions of a field of study they have no knowledge of. Mr. Diamond, NOT an anthropologist, takes Marvin Harris' theory of cultural materialism and uses it to explain everything in life, history, and the current state of the world. Materialism is a way of looking at human culture which, for lack of a better way ...
