['Perfect rigour' | plus.maths.org](#)

I just finished reading author Masha Gessen's new book about Grigori Perelman, Perfect Rigor: A Genius and the Mathematical Breakthrough of the Century. It's a short but very well done account of the life of Grigori Perelman, how he came to prove the Poincare Conjecture, and what has transpired since. The book is really not about mathematics, but about mathematicians and their culture ...
